PEG & MCT: This product does not contain and was not manufactured with PEG or MCT.

Materials Used in device’s atomizer coil:

The PAX Era Pod’s atomizer coil is 3mg NiChrome alloy and 2mm amorphous silica fiber wick.

This product has been tested for contaminants, including Vitamin E Acetate, with no adverse findings.

WARNING: Vaporizer Products may contain ingredients harmful to health when inhaled.

If you wish to inspect a copy of the associated testing results of the product you are purchasing, please let your dispensary agent know and they will be happy to review them with you. If you are an adult-use customer, please save your product labels if you are requesting to review test results after the product was purchased.

Holistic Industries is a proud member of the Commonwealth Dispensary Association and is committed to providing safe vape products to the Massachusetts market. Trust from patients and consumers is paramount to the success of the legal cannabis industry. The CDA and its members have always put the safety and health of their patients and consumers first and foremost.
